COMMEMORATING the 35th Anniversary of the New York
Aviation Management Association, and celebrating the
benefits of Aviation in New York State

WHEREAS, It is the sense of this Legislative Body to recognize that
the quality and character of life in the communities across New York
State are reflective of the concerned and dedicated efforts of those
organizations and individuals who would devote themselves to the welfare
of the community and its citizenry; and

WHEREAS, Attendant to such concern, and in full accord with its
long-standing traditions, this Legislative Body is justly proud to
commemorate the 35th Anniversary of the New York Aviation Management
Association, and to celebrate the benefits of Aviation in New York
State; and

WHEREAS, The Empire State is home to over 600 commercial, public and
private airports and heliports, ranging from small rural facilities to
New York City's John F. Kennedy International Airport which is the
twelfth busiest airport in the world; and

WHEREAS, The New York State Department of Transportation has
demonstrated that the State's aviation industry accounts for a
significant amount in annual economic activity, 500,000 jobs and a
significant amount in State and local revenue; and

WHEREAS, This contribution by the aviation sector to the State's
economic well being is fueled by a vibrant and supportive aviation
community led by the New York Aviation Management Association, which
represents the "Voice of Aviation in New York State", for airports,
general aviation, commercial aviation, cargo transport, manufacturing
partners, hospitality businesses, vendors and contractors, engineers and
consultants, pilots, mechanics, educational institutions and other
aviation organizations; and

WHEREAS, New York State's commercial service airports accommodate a wide variety of local, domestic, and international flights connecting all of New York State to the nation and the world, and are responsible for over 40 million enplanements per year; and

WHEREAS, Business Aviation is a critical tool for companies in New York to support their operations, thus bringing new business, investment and jobs to this State; business aircraft improve efficiency, save money and open up opportunities for rural areas not served by commercial aviation; and

WHEREAS, Aviation and airports play a vital role in New York State's businesses and communities that depend on general aviation of all types for mobility, access to medical treatment, economic opportunity, disaster relief, law enforcement, search and rescue and also contribute to our national defense; and

WHEREAS, The State of New York has a keen interest in the health and economic vitality of airports and the aviation industry and should lead the nation in promoting its aviation sector so as to further attract private sector investment; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to commemorate the 35th Anniversary of the New York Aviation Management Association, and to celebrate the benefits of Aviation in New York State; and be it further

RESOLVED, That a copy of this Resolution, suitably engrossed, be transmitted to the New York Aviation Management Association.
