

PRIOR PERMISSION REQUIRED OCTOBER 9-10

- *Parking and services limited due to events related to NBAA-BACE.*
- *Call **702-261-4858** to request a PPR number.*
- *Unauthorized access will result in a \$1,000 fine; aircraft may be positioned in a remote location on the airfield.*

Henderson Executive Airport Prior Permission Required (PPR) System

Attention Airport Users:

Henderson Executive Airport (KHND) is requiring prior permission for all aircraft seeking to use the airport between Oct. 9 -0900 lcl- (1600Z) until Oct. 10 -2200 lcl- (Oct. 11 0500Z), 2021.

Available parking and services will be extremely limited as the airport readies for the National Business Aviation Association's Business Aviation Convention & Exposition (NBAA-BACE). Aircraft arrivals for the show begin Saturday, Oct. 09.

Operators of itinerant aircraft should consider other airports than KHND if planning to visit the Las Vegas area during this period.

A PPR Number, issued through Airfield Operations (**702-261-4858**), is required for each landing of itinerant aircraft at KHND during this timeframe. Upon PPR approval, a confirmation number will be provided, and

this must be entered in the remarks section of your flight plan. PPR Requests will no longer be accepted after KHND is at capacity or by Oct. 08 (1600Z) -0900 lcl- 2021 whichever occurs first.

Unauthorized access will result in a \$1,000 service fee and aircraft may be positioned in a remote location on the airfield.
