

Teterboro Airport Operations Bulletin # 2021-7A

Date: July 22, 2021
To: Airport Tenants and Users
Subject: Temporary Airport Closure

Teterboro Airport has scheduled a 24-hour airport closure for construction to facilitate pavement repairs on runway 6/24 inside the safety area of runway 1/19 at the main intersection of both runways.

This closure will necessitate closing the airport to fixed wing traffic, but helicopter operations will be permitted. Please keep in mind that this closure is weather dependent.

The temporary 24-hour airport closure is scheduled for the following date/time:

DAY:	Saturday - Sunday
DATE:	August 7 - 8, 2021
TIME:	1200L – 1200L

- Runway 01/19 and Runway 06/24 will be closed from 1200L (8/7) until 1200L (8/8).
- Helicopter operations will be permitted.

Please keep in mind that this closure is weather dependent. In the event this closure is cancelled due to weather issues, the **rain date** will likely be **Saturday, August 14-15, 2021 from 1200L to 1200L.**
