

Insider knowledge. Advantage, you.

You want a winning event — we help you make it happen.

The onsite team at FedEx Office has one thing in mind: your success.

Start-to-finish expertise

Because we're located onsite, we know the venue and how to make your messages stand out. Our expert consultants will help you create powerful event branding. You'll see your ideas turn heads when we print large-format signs and graphics, and high-quality brand imaging, from escalator wraps to show-stopping banners.

Order your printed materials in advance and everything will be ready when you arrive. As soon as the show ends, we can ship packages home or to your next destination.

Here are just a few ways we can support your event:

- Premium printing, copying and binding services
- Surface Branding and Installation services
- Essentials, from electronic adapters to business supplies
- Pack-and-ship services
- Equipment Rentals including printers, copiers and secure shed bins
- Promotional products such as pens, lanyards, drinkware swag bags and more
- Directional signage and banners
- Private Conference Room Rental
- Coat and Bag Check

We're here to help
