**YOUNG PROFESSIONALS:
BUILD YOUR CASE TO ATTEND**

MAINTENANCE CONFERENCE

NEW! This year's conference will be co-located with the NBAA's Flight Attendants/ Flight Technicians Conference, giving you 2 conferences for the price of 1.

The best way to show your employer the value of your attendance is to focus on the specific, tangible benefits attending provides you and your company.

YOUR DIRECT BENEFIT

You'll expand your knowledge through diverse educational sessions that will discuss best practices and how to apply them in real-world situations. Additionally, participating in this conference earns credit towards the NBAA Certified Aviation Manager (CAM) credential and is an IA Renewal Credit.

The presenters are not the only experts at the conference. Tap into the business aircraft maintenance community and get operational tips to help you work smarter, not harder.

With over 150 exhibitors, you'll be able to find new vendors and suppliers and connect with existing partners.

Featured Sessions with YOU in Mind:

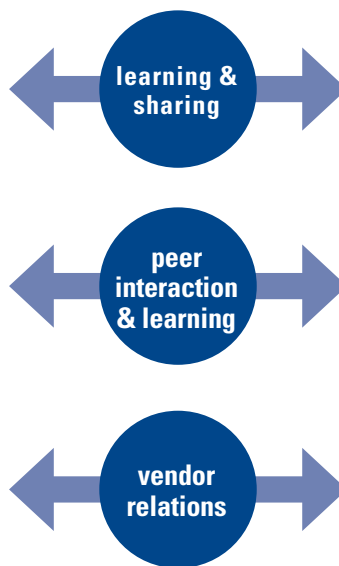

- » Who is the Aircraft Technician of the Future?
- » Finding and Thriving in New Career Opportunities
- » Technical Breakout Sessions featuring:
 - Satcom Direct
 - Honeywell Aerospace
 - Gulfstream Aerospace
 - Bombardier Aerospace
 - Collins Aerospace
 - Pratt & Whitney Canada
 - Dassault Falcon Jet
 - Gogo Business Aviation

COMPANY'S BENEFIT

Attendees actively share key learnings with their team members back home. Additionally, companies are investing in the future of their organizations through professional development for their rising stars.

Implementing new technologies and processes gained from interactions at this conference will help your company save time and money. Creating this community of experts will give your company endless resources to tap into for any situation.

By exploring new vendors and suppliers, your team can become more efficient and be more cost-effective in the future.
