YOPRO GO

Young professionals in business aviation (YoPros) are active, inspired and always asking how they can get involved. YoPro Go! is the answer. This program, with the help of the NBAA YoPro Council, gives you the tools to help bring aviation education and outreach, networking, advocacy and mentoring opportunities to your own community. Whatever your passion, there is a place for you in YoPro Go!

The path to business aviation starts with YOU!

YoPro members through YoPro Go! work to connect young professionals while also increasing public awareness of new initiatives in this vibrant and growing industry.

WAYS TO GET STARTED:

Aviation Education & Outreach

Our industry is fun, exciting, impactful and rewarding – so why don't more people know about it? Use your expertise to inspire future generations and educate your community about business aviation.

Networking

Make those connections work for you! Host a local aviation event or networking group.

Advocacy

Become a champion for aviation in your community, region or state! Help your representatives and policymakers understand how #bizavworks for everyone.

Mentoring

Level up your knowledge – or share yours with someone who is just breaking into the industry. Build a mentoring network at your home airfield and watch the possibilities grow!

SPREAD THE WORD

1. Define your purpose (why)
2. Determine audience/stakeholders/helpers (who)
3. Describe your message (what) to your audience
4. Details (when)
